Captain J. A. Warner, of Troop K,
New York State constability, asked
yesterday that the troop be supplied with a scout airplane for use in chasing aerial rum runners, following capture at Croton-on-Hudson of a biplane

The sailor's statement, taken under oath, was turned over to United States District Attorney William D. Hayward last night.

Film is that viscous coat you feel. I clings to teeth, gets between the teeth and stays. The ordinary tooth paste does not effectively combat it. So much is left. It is also the basis of tartar.

Film absorbs stains, making the teeth look cloudy or discolored. It holds food substance which ferments and forms acids. It holds the acids in contact with the teeth to cause decay.

Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea. That is why so few escape tooth troubles, despite the daily brushing. They fail to end the film.

Saves \$19 a Ton to Hawaii

WASHINGTON, May 16.—Two Shipping Board vessels, carrying army supplies to Hawaii, are saving the covernment \$19 a ton on each cargo, Secretary of War Weeks announced to-day. The army borrowed two of the Shipping Board vessels and put them in commission at a cost of \$20,000. They were then loaded with army supplies and sent to Hawaii at a cost of \$6 a ton, as against \$25 a ton, which is the approximate commercial rate for the cargo.
